

SHINY *eyes*

**Corporate
Resonance**

Join us for a day of musical team building, and self-discovery. Explore the powerful lessons that music can teach us about communication, mental health collaboration, and leadership.

Let music create your shiny eyes!

SHINY eyes

UNVEILING THE CORPORATE SECRET TO

Join us for a transformative musical team building event as we draw parallels between your organization and a professional orchestra? Are your leaders communicating clearly? Are your teams in sync? Do your employees feel the pulse of your company, and do they work together seamlessly to the same beat? Is each of your individual instruments tuned and feeling great mentally and physically? If not, would you like inspiration to obtain corporate resonance and see shiny eyes?

Assess how communication, both verbal and nonverbal, impacts your organization by letting employees and managers try to conduct our professional orchestra live on stage.

Embrace the diversity within your team and witness the magic that unfolds when all parts in an orchestra align perfectly live on stage.

Join us for a day of music, team building, and self-discovery as we explore the powerful lessons that music can teach us about communication, mental health, collaboration, and leadership. We promise shiny eyes, laughter, maybe some tears.

SHINY EYES will give you an experience you are going to keep talking about for years, and will want to tell to your friends about at your next dinner party.

This program can be tuned to your time frame and budget. It can also be followed by an in-depth consultancy program for better management, cooperation and better mental health

Your experience:

Learn from conductor Saul Zaks about the vital components of a successful orchestra. An orchestra thrives on parameters such as trust, decoding, involvement, patience, listening skills, intuition, tuning in, feeling each other, and other key elements in building strong relationships within our team.

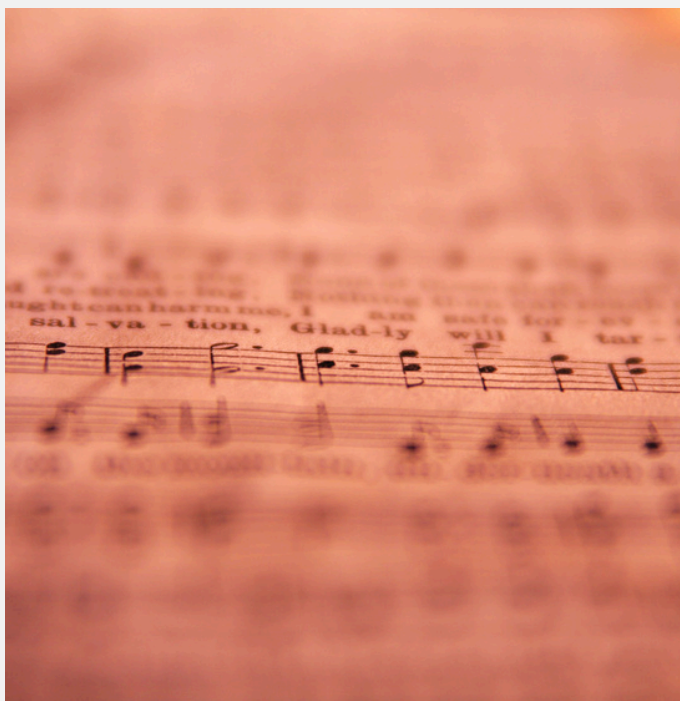

Understand the significance of diversity, equity, and inclusion in your ongoing important work in achieving harmony within your organization.

Immerse yourself in the orchestra experience, led by Saul Zaks, to gain insight into effective teamwork. Explore the emotional connections between music, colors, and human feelings under the guidance of Saul as an experienced music history teacher.

Eyes shine from a place of well being and joy. Discover the importance of mental wellness in your organization through breathwork and mindfulness, and meditation with Gitte Winter Graugaard.

Close your eyes to experience a live symphonic meditation for better mental health as Saul directs the orchestra on stage and Gitte directs you into an inner being of balance in a symphonic meditation.

Open your eyes and get ready to end this amazing time together in a beautiful choir ceremony that will blow your mind. You had no idea you could harmonize in this way. Watch your shiny eyes.
